Why This Notebook (3-column layout)

Think Fast

Fits in your pocket, opens flat, ready for every stray insight.

Structure, Not Rules

Grid paper. 100 GSM. Staple-bound. Zero fluff.

Built to Use

Tough 300 GSM covers. Made in India. ■349 for 3.

How People Use It (scrolling testimonials or sketches)

👉■ “Every story I've written started in one of these.” – a screenwriter

■ “My co-founder and I literally launched our first MVP off this grid.”

■ “My best song hooks come when I'm in traffic. This is my trap.”

Packaging Copy (Back Cover / Belly Band)

Back Cover (Bottom text block):

This notebook doesn't care about neatness.

It's made for speed, flow, and fragments.

100 GSM grid paper. 52 pages. Pocket-sized.

No rules. Just real ideas.

Front Cover (Small tag near the edge):

A tool for unfinished genius.

WhatsApp / DM Intro Line (for friends, micro-launches, founder groups)

Hey! Just launched these — pocket notebooks for people who think fast, write faster.

They're A6-sized, grid-paged, and meant for raw ideas, not perfect pages.

■349 for a set of 3.
